

IC 82-3491
15 July 1982

MEMORANDUM FOR: Chief, DDI Planning and Management Staff

FROM: Walter Edler
Executive Secretary, NFIB/NFIC

SUBJECT: Draft Directives on Services of Common Concern

1. Your memorandum of 9 July 1982 does not respond to my question of whether your component prefers an NSCID or a DCID and why? Please advise.

2. A service of common concern is one performed centrally by a designated component on behalf of the Intelligence Community. In view of the fact that the responsibilities for biographic intelligence are dispersed, this item does not fit under the definition. I suggest it be covered by a separate directive which is under reviews.
